DADS FOR DIAPERS

THE NEED FOR DIAPERS

Of all the items purchased at the Ottawa Food Bank, diapers and baby supplies are the most expensive.

The Ottawa Food Bank spent \$89,300 on diapers alone last year, and still was not able to keep up with the demand for these important items. Together, we must help them provide for our city's most vulnerable. Join us at MeNa, one of Ottawa's top dining restaurant for cocktails and canapes for a good cause.
