Great Glebe Garage Sale

The Glebe Community Association encourages garage sale participants to donate 10% of their sale proceeds to the Ottawa Food Bank.

This year, residents have the option to post some of their garage sale items on GiveShop.ca for the benefit of the Ottawa Food Bank. Residents can use these price tags to earmark the items posted for sale on GiveShop.

The price tags will alert buyers that the proceeds will go to the Ottawa Food Bank. Buyers can quickly find the item by key word search. Buyers can then transact easily at GiveShop.ca or on the mobile App using their phones and walk away with the item. Purchase funds go directly to the Ottawa Food Bank and the seller/donor will receive a tax receipt (\$10 minimum for a tax receipt).
